Welcome

Good evening everyone and welcome to this year's cup finals.

We are looking forward to an exciting match between some very good footballing teams.

The committee would like to thank tonight's hosts, for allowing to use their excellent facilities and giving the players the chance to play under floodlights.

This year's weather has been one of the wettest for many years and caused a headache for all involved in trying to get our games played.

I would like to take this opportunity to thank all the clubs, officials, and players, for their understanding during this difficult winter.

Lets all enjoy tonight's match and show our respect for all involved.

Calum McFarlane
